## Independent Auditor's Report

---

### To the Members of The Nik Zoricic (NZ) Foundation

We have audited the accompanying financial statements of The Nik Zoricic (NZ) Foundation, which comprise the statement of financial position as at April 30, 2015, and the statements of operations and changes in unrestricted fund balance and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

### Basis for Qualified Opinion

In common with many not-for-profit organizations, The Nik Zoricic (NZ) Foundation derives revenue from donations and fundraising, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of The Nik Zoricic (NZ) Foundation. Therefore, we were not able to determine whether any adjustments might be necessary to donation and fundraising revenues, excess of revenues over expenses, cash flows from operations, current assets and fund balances.

**Qualified Opinion**

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of The Nik Zoricic (NZ) Foundation as at April 30, 2015 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

## 1. Significant Accounting Policies

### Nature and Purpose of Organization

The Nik Zoricic (NZ) Foundation (the "Foundation") is a not-for-profit organization incorporated under the laws of Ontario as a corporation without share capital.

The Foundation is an organization which works with Canadian athletes both provincially and nationally to support the development of ski sport in general and its safety in particular. The Foundation supports other registered charities whose missions complement its own in terms of the development of ski sport and safety initiatives.

For Canadian tax purposes the Foundation qualifies as a not-for-profit organization which is exempt from income tax under the Income Tax Act.

### Basis of Accounting

These financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations.

### Contributed Materials and Services

Contributed materials and services are not recognized in the financial statements due to the inherent difficulty in determining their fair market value.

### Fund Accounting

The Foundation follows the deferral method of accounting for contributions. The Foundation's contributions are comprised of donations, sponsorships and fundraising revenue.

### Inventories

Purchased goods for resale are stated at the lower of average cost and net realizable value.

### Capital Assets

Capital assets are recorded at cost. Amortization based on the estimated useful life of the asset is calculated at the following rates:

Equipment	-	30 % declining balance
Safety gates and netting	-	20 % declining balance
Trailer	-	20 % declining balance

### 1. Significant Accounting Policies (continued)

#### Revenue Recognition

Restricted contributions are recognized as revenue in the year in which the related expenses are incurred.

Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

#### Financial Instruments

Financial instruments are recorded at fair value when acquired or issued. All financial instruments are reported at cost or amortized cost less impairment, if applicable. Financial assets are tested for impairment when changes in circumstances indicate the asset could be impaired. Transaction costs on the acquisition, sale or issue of financial instruments are charged to the financial instrument for those measured at amortized cost.

---

### 2. Cash

The Foundation's bank accounts are held at one chartered bank. The bank accounts earn interest at a variable rate dependent on the monthly minimum balances.

### 3. Accounts Receivable

	<u>2015</u>	<u>2014</u>
Alpine Canada Alpin (ACA)	\$ 49,811	\$ 35,470
Other receivables	17,388	17,311
	<u>\$ 67,199</u>	<u>\$ 52,781</u>

Alpine Canada Alpin (ACA) collects donations on behalf of the Foundation and distributes them to the Foundation upon request. The amount receivable from ACA represents the total donations that are yet to be distributed to the Foundation as at April 30, 2015.

---

### 4. Inventories

	<u>2015</u>	<u>2014</u>
Goods for resale	\$ 3,110	\$ 2,650

Inventory expensed during the year totaled \$3,354 (2014 - \$22,721) and has been included in event supplies on the statement of operations and changes in unrestricted fund balance.

During the year, the Foundation purchased capital assets of \$37,707 (2014 - \$33,938) with cash.

---

**6. International Ski Federation Funding**

The Foundation is the recipient of funds from the International Ski Federation ("Federation") as a result of the Federation demonstrating their support of the objectives of the Foundation to the family of Nik Zoricic. The International Ski Federation has committed \$250,000 over five years beginning in the year ended April 30, 2014. The Foundation has received \$100,000 as of April 30, 2015.

### 7. Financial Instrument Risk

#### Credit Risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. Credit risk typically arises due to significant concentrations of accounts receivable from a particular industry, geographic region or limited number of customers. The Foundation is exposed to credit risk as they have one significant receivable from an organization that collects donations on behalf of the Foundation. The amount receivable from this organization is \$49,811 as of April 30, 2015 (2014 - \$35,470).

The Foundation is exposed to credit risk since the Foundation's cash deposits in one financial institution are in excess of the amount insured by agencies of the federal government in the amounts of \$100,0000 as at April 30, 2015.

---

### 8. Comparative Amounts

The comparative figures in these financial statements have been reclassified to conform with the financial statement presentation adopted for the current year.
