# The NZ Foundation Ski Racing Safety Grant Application

Complete in a type and legible manner

DATE	CONTACT PERSON
NAME OF ORGANIZATION	
MAILING ADDRESS	
PHONE NUMBER	EMAIL
WEBSITE	PSO

<b>Part 1</b> Information Questions	<b>Part 3</b> Confirmation from the PSO or ACA that the trail/area that applicant is looking to install safety equipment on meets requirements for PSO or ACA events	<b>Part 4</b> Describe what events will be impacted by the safety equipment
<b>Part 2</b> Vendor Estimates		<b>Part 5</b> Financial and Organizational information for the Organization

## **PART 1**

1. How did you learn about The NZ Foundation Ski Racing Safety Grant?
2. Please provide some information and background about your organization.
3. Describe the proposed use of funds and provide in detail how the funds and products through this program will increase athlete safety and security within your program or organization?
4. What are your plans for improving safety and achieving your safety outcomes? Include your plan to assess your progress and how you will measure success.
5. What is your timeline for using the funds?
6. Describe the trail or area that will benefit from the increased safety equipment. Include pictures.
7. Please describe how you will or have raised the funds to match the grant?
8. Please let us know how your organization has handled safety prior to this application

## **PART 2**

Provide a minimum of two written estimates from vendors for the product or products you are looking to purchase. The estimate MUST be on company letterhead and contain contact info. Please let the companies know that you are applying through the NZ Foundation Grant Program

## **PART 3**
